## VOLUNTEER NEWS JUNE 2021

Wenvoe Castle Golf Club Volunteers Group

### 2nd Newsletter

#### In this issue:

- Volunteers safety
- 9th hole pond project update
- The month ahead
- Our new sponsors
- We need you
- Our social media

Welcome to the 2nd edition of the 19th hole, Wenvoe Castle Golf Club Volunteers newsletter. Our first month was quite productive, we conducted a detailed survey of the front 9 holes and we made a start clearing the dead tree from the 9th hole pond, as well as leveling the parking area for the practice hole. For the month ahead we plan on clearing all the debris from the front 9 holes and general tidying up of some of the areas that have overgrowth. We have also secured some associated sponsors, With the good weather finally now here now is the time to get out and about around the course.

Kind Regards Kevin Reaney

**Volunteers are the beating heart of every golf club in the land and are crucial for the continued success of any golf club.**

#### Quote of the month

*"Service to others is the rent you pay for a room here on earth"*

*Mohammed Ali*

# VOLUNTEERS SAFETY

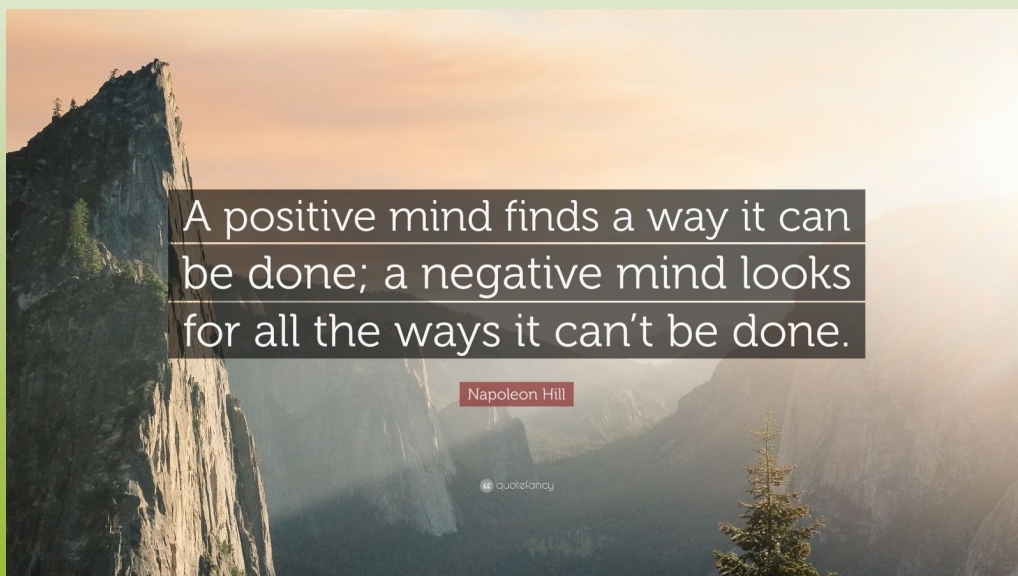

We would like to reassure any members who have concerns about the safety of volunteers working on the course, we take this very seriously and we have enough PPE (personal protective equipment) for up to 10 simultaneous volunteers, this includes Hard hat, hi vis vest, eye protection and gloves. Prior to any work being carried out a full risk assessment and method statement is conducted. Before the work a safety briefing is conducted and includes emergency contact numbers and first aiders details.

# 9th HOLE POND PROJECT UPDATE

"We have made a start" we managed to remove and chop up 3 big bags of dead tree from the 9th hole pond, we have one more day planned and the job should be done. It just goes to prove anyone who says it cant be done has not thought hard enough about how it can be done !. must take this opportunity to thank Mr Maldwyn Hopkin from the Penarth RNLI for his expertise on how to safely winch the debris from the pond and also long standing member Mr Geoffrey Williams who without his assistance we could have not achieved so much on the day. On the following morning with the aid of my son Connor we levelled the pile of scalping's at the entrance to the bridge so two cars can now park safely for use of the practice hole.

# THE MONTH AHEAD

This month we will be focusing on clearing any debris that has been left lying around the golf course, here are a few photos of the type of material, if you spot anything else that you think needs attention please do not hesitate to contact myself, its our golf course and every pair of hands and every minute spent will make a difference.

# TO OUR SPONSORS, *Thank You!*

We now have two sponsors for the 19th hole newsletter, the first is an excellent local construction company called REX Construction Solution's Ltd and the other is Eden Florists. Both companies have given their support and commitment to a long term relationship with Wenvoe Castle Golf Club, This month we focus on REX Construction.

We are also looking to increase sponsorship so if any members receiving this newsletter would like to sponsor us for advertising space or know of anyone who would be interested please contact us.

*You dream it we build it*

## REX Construction Building Solutions

For a full range of all building services & maintenance

As a well-established builder in South Wales we like to get to know our clients by spending time with them to discuss what their project requirements are before we give a detailed quotation. Understanding what your requirements and budget are is vital for us to fulfil your dreams and expectations. Here at Rex Construction we take pride in making your project dreams come true. As a local company we are very proud to sponsor this volunteers newsletter and to be associated with Wenvoe Castle Golf Club and I would personally like to offer our services to members. Here are a few of our projects over the last few months.
