VOLUNTEER NEWS AUGUST 2021

Wenvoe Castle Golf Club Volunteers Group

4th Newsletter

In this issue:

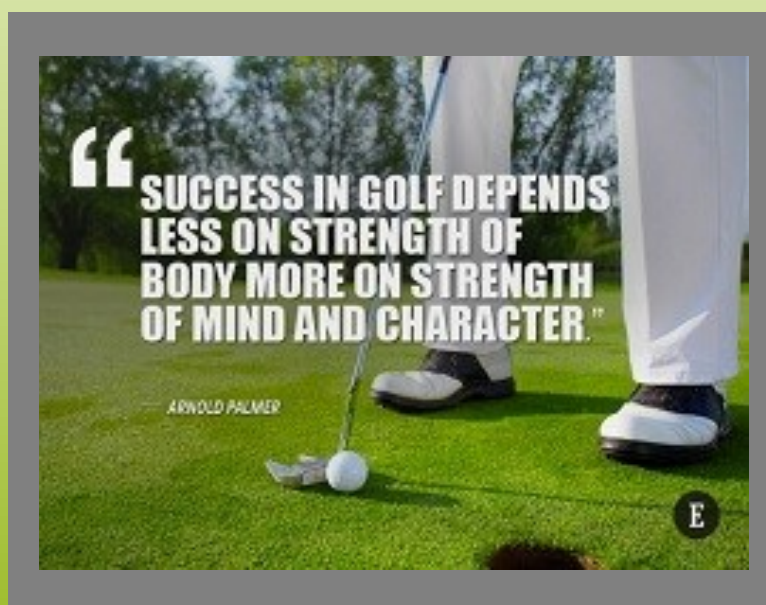

- Silk flower arrangements
- 9th pond
- Clubhouse lounge
- Course Signage
- Practice area
- Month ahead
- Our social media

Welcome to the 4th edition of the 19th hole. I apologies for this edition being one week late, as I wanted to include some more projects that have only just been finalized. July was another productive month, we kicked off the month with a very generous donation from one of the members for some handmade silk hanging baskets on the terrace. We also managed to remove another huge section of the dead tree from the 9th pond, many thanks to Mr Alun Arthur for his skills on his JCB we could not have done it without his help. We have also started with placing some signage around the course. For the month ahead we will be concentrating on one or two more jobs around the course as well as in the clubhouse and practice area.

So keep an eye out on our social media sites for updates.

Kind Regards Kevin Reaney

Quote of the month

SILK FLOWER ARRANGEMENTS

One very generous member reached out to us wishing to contribute to commissioning some flower installations to brighten up the terrace, after consulting with our partner Eden Florists it was decided to go with handmade silk hanging baskets, these arrangements are normally reserved for the most prestigious of Eden's clients but with Angela's help we managed to work within the budget. These arrangements should last a good few years and will provide some colour all year round, Angela also has helped with starting to train the climbing roses and within a few years we could have some rose arches. The roses were suffering with black fly caused by the surrounding foliage which had to be pruned back and treated.

9th POND AGAIN

On Sunday 18th July we managed to remove a huge piece of the dead tree from the 9th pond, with the kind help of Mr Alun Arthur and his JCB together with members Mr Russel Hooper and Mr John Smith on the Chainsaws and as ever Mr Geoffrey Williams providing muscle, you guys are awesome to give up your Sunday morning to help with hard, dirty work, again in a heatwave. Thank you for your continued support.

CLUB HOUSE LOUNGE

We have been given the go ahead to repair some of the damage to the walls in the clubhouse lounge. I reached out to a local plastering company to submit a quotation, they have now been contracted to carry out the work at a reduced rate providing I include them in this newsletter and I provide some of the labour to do the job. The work is scheduled for next Tue, Wed, Thu so please bear with us and we apologise for any disruption. Getting these repairs done is the first step to freshening up the lounge area, as soon as the repairs are done I will be arranging a painting evening, so if any members feel they could help please contact myself or Lesley and we can let you know the plan.

**NH PLASTERING
SERVICES**

ABOUT US

If you have a new extension, Old Walls/Ceilings are in need of repairs to leak damage or settlement crack then NH PLASTERING is here for you.

COURSE SIGNAGE

We have place some safety and guidance signage around the course, as ever Mr Alf Hitchcock is always on hand to help. We hope you appreciate and take note of the signs.

PRACTICE AREA IMPROVEMENTS

On Monday 2nd August we got the go ahead to start a practice area improvement programme, the first part of this has very generously been funded by a member Mr Gary Davies, We will be placing a chipping net at 50 yds. and 100 & 150 yard markers

-  Chipping Target Net at 50
-  100 yard marker board
-  150 yard marker board

The order for the marker banners has been placed with the supplier and the galvanised framework is being donated by my company Charge Locker Ltd. We hope to have the work completed within the next two weeks.

THE MONTH AHEAD

Looking on the month ahead we will be carrying out more improvements in the clubhouse and on and around the course, We will be tackling the bush on the terrace by the buggy parking that has grown so big. To keep up to date please check our social media.
